

Dear Friends of The GreenMount School:

If you are not already familiar with us, please allow me to introduce The GreenMount School. Located in the former Wyman Park Community Center in the Remington neighborhood of Baltimore, the school uses a creative, experiential, theme-based curriculum supported by strong family participation to teach 83 students in grades kindergarten through eight.

As an independent school, GreenMount depends on tuition and fundraising activities to sustain our unique program and educational excellence. On May 22, 2010, GreenMount will host *A Taste of Summer*, a bi-annual dinner, dance and silent auction. This fun, casual, community event will both raise money for our programs and scholarships for our wonderful school.

We are asking you to contribute an item, service or gift certificate to our silent auction. We also have several sponsorship opportunities available that will give your business exposure to the extended GreenMount community of parents and friends.

The GreenMount volunteer who has delivered this letter to you will try to answer any questions you may have, and provide you with more information if needed. Alternatively, please feel free to contact me at the address or phone number below.

All forms of support will be truly appreciated.

Sincerely yours,

Jill Goodman
